Prisim Healing Institute

We were invited by Priti Shroff, chairperson of PRISIM to her Wellness Institute at Hormuzd Building, Sleater Road, Grant Road (W). It was a unique and wonderful experience together with warm hospitality and care that made our afternoon a joyful event to be cherished.

We were welcomed with a shot of Organic Wheat Grass Juice, followed by delicious Black currant Juice, Raw Papaya Salad and Sunflower Sprout Salad adorned our plates as we sipped the carrot soup, munched into Bhindi

Masala, and Spinach gravy with vegetables, rounded off with fresh Strawberry Icecream. The foods were loaded with nutrition, having been cooked under the Solar Cooker. When you eat such dynamic foods prepared in the right way, you are on the road to health and happiness - you almost start living again!

At Prisim, you also learn to heal yourself completely - mind, body and spirit, by learning courses and undergoing alternative therapies like Raw & Living Foods Lifestyle, Yoga, Mudra Science, Meditation, Brahma Satya Energy Workshop, Aura Cleansing, Acupuncture, Thai, Shiatsu and Swedish Massage, Hot and Cold Stone Therapy & Reflexology, Memory Enhancement for Senior Citizens, Foot & Steam Detox, Aroma Oil Facial, Corn Treatment for feet, Ozonized water and exposure to ozone air, as well as emotional catharsis are also taken care of. At the same time, you can find out more about yourself and what is most needed in your life by undergoing an Aura Scan, Planetary Chart, Relationship Enhancing Counseling, Hypnotherapy, Tarot

Reading, Crystal Reading, Handwriting Analysis or Numerology with name change. All these provide information which complements the various workshops and therapies which are found here. Besides, a wide range of health products are also available. The pleasing decor and environment are so relaxing and embracing that they help you to heal and rejuvenate yourself all under one roof.
